Certificate confirming the Key Performance Indicators

Date: February 25, 2026

To,
The Board of Directors
SEDEMAC Mechatronics Limited
Survey No. 270/1/A/2,
Pallod Farms,
Baner Road, Baner,
Pune 411 045
Maharashtra, India

Sub: Proposed initial public offering of equity shares of face value of ₹ 10 each (the "Equity Shares") of SEDEMAC Mechatronics Limited (the "Company" and such offer, the "Offer")

Dear Sir / Madam,

1. We, S K Patodia & Associates LLP, Chartered Accountants (Firm Registration No. 112723W/W 100962), an independent firm of chartered accountants, have been appointed by the Company in terms of the engagement letter dated April 15, 2025, as the independent chartered accountants in relation to the Offer. In connection with the proposed Offer, the Company is required to obtain a report from a chartered accountant that holds a valid peer review certificate issued by the Peer Review Board of the Institute of Chartered Accountants of India ("**ICAI**"), with regard to the key performance indicators as identified by the Company for the purposes of disclosure in the Red Herring Prospectus and Prospectus, or any addenda or corrigendum thereto (the "**Offer Documents**"), as required by Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended from time to time (the "**ICDR Regulations**").

2. The accompanying statement, containing details of GAAP measures, Non-GAAP Financial measures and Non-Financial measures (part of financial reporting) as described in the Technical Guide on Disclosure and Reporting of Key Performance Indicators in Offer Documents issued by the ICAI ("**Technical Guide**") and as per the Industry Standards on KPIs disclosures in the draft offer document and offer document issued by ASSOCHAM, FICCI and CII ("**KPI Standards**") identified by the Company for the nine months periods ended December 31, 2025 and the financial years ended March 31, 2025, March 31, 2024, and March 31, 2023 as per the requirement of Schedule VI, Part A (9) (K) (3) of the ICDR Regulations (the "**KPIs**", and such statement, the "**Statement**"), is prepared by the Management of the Company, which we have initialed for identification purposes only.

Management's Responsibility for the Statement

3. The preparation of the accompanying Statement is the responsibility of the management of the Company. This responsibility includes designing, implementing, and maintaining adequate internal controls that were operating effectively and testing of such controls for ensuring the accuracy and completeness of information relating to KPIs including such accounting records relevant to the preparation and presentation of the Statement, and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.

4. The Management is responsible for:

   a) Identification, definition, completeness, accuracy, relevance, appropriateness and sufficiency of the KPIs included in the Statement;

   b) Process of selection and classification of KPIs into the following categories: (i) GAAP financial measures; (ii) Non-GAAP financial measures including financial ratios; and (iii) operational measures;

   c) Determine the standard of definition of KPIs;

   d) Providing access to the accounting and other records to us including information and explanations required for reporting on the KPIs;

e) Ensuring that the KPIs identified, meet the criteria laid out in the definition of terms used for disclosing KPIs, as specified in the KPI Standards;

f) Ensuring that the data collection and compilation are as per the KPI Standards

g) Maintenance of the accounting and other records in relation to point (a) and (b) above; and

h) Compliance with the ICDR Regulations, the Technical Guide on Disclosure and Reporting of Key Performance Indicators (KPIs) in Offer Documents and other regulatory requirements.

Our Responsibility

5. Pursuant to the requirements of Schedule VI, Part A (9) (K) (3) of the ICDR Regulations, it is our responsibility to obtain reasonable assurance and conclude as to whether (i) the financial details provided in the Statement are in agreement with the restated financial statements of the Company for the nine months period ended December 31, 2025 and for the financial years ended March 31, 2025, March 31, 2024, and March 31, 2023 proposed to be included in the Offer Documents ("**Restated Financial Statements**"), and the underlying books of account maintained by the Company used for the purpose of preparation of the Restated Financial Statements, (ii) non-financial measures provided in the Statement are in agreement with the books of accounts and other relevant records maintained by the Company; and (iii) the KPIs (including their definitions) included in the Statement are mathematically accurate.

6. The audited financial statements for the nine months periods ended December 31, 2025 and for the financial years ended March 31, 2025, March 31, 2024, and March 31, 2023 referred to in paragraph 5 above, have been audited by the current statutory auditors of the Company on which the current statutory auditors of the Company issued an unmodified audit opinion vide their reports dated February 16, 2026, August 25, 2025, September 4, 2024 and September 22, 2023. Their audits of these financial statements were conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, as amended from time to time (the "**Act**"). Those standards require that they plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Their audits were not planned and performed in connection with any transactions to identify matters that may be of potential interest to third parties.

7. The Restated Financial Statements referred to in paragraph 5 above, have been examined by the current statutory auditors of the Company on which the current statutory auditors of the Company issued their examination report dated February 16, 2026. Their examination of these Restated Financial Statements was conducted taking into consideration the Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India (the "**ICAI**"), concepts of test checks and materiality to obtain reasonable assurance based on verification of evidence supporting the Restated Financial Statements and the requirements of Section 26 of Part I of Chapter III of the Act and the ICDR Regulations. Their work was performed solely to assist the Company in meeting its responsibilities in relation to its compliance with the Act and the ICDR Regulations. Their work was not planned and performed in connection with any transactions to identify matters that may be of potential interest to third parties.

8. We have conducted our examination in accordance with the "Guidance Note on Reports or Certificates for Special Purposes (Revised 2016)" (the "**Guidance Note**") in accordance with the generally accepted auditing standards in India and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India. These standards require that we plan and perform the examination to obtain reasonable assurance about the "Reporting Criteria". We hereby confirm that while providing this certificate we have also complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial information, and Other Assurance and Related Services Engagements, issued by the ICAI.

9. We have performed the following procedures in relation to the Statement:

   a. Held discussions with the Company to (a) identify the KPIs which have been used by the management historically to analyse, track or monitor the operational and/or financial performance of the Company (b) identify the KPIs which have been disclosed to its investors at any point of time during the preceding three years and (c) understand the relevance of each of the KPIs in the business of the Company;

b. Reviewed the minutes of meetings of board and shareholders for the preceding three years to identify any KPIs shared with the investors;

c. Obtained list of KPIs as set out in Annexure A, as approved by the audit committee of the Board of directors of the Company pursuant to their resolution dated February 25, 2026 along with definitions of each KPI from the management;

d. Compared the specific components of KPIs as mentioned in the Statement to source of KPIs as maintained by management which includes Restated Financial Statements and examination report thereto dated February 16, 2026 issued by the statutory auditors of the Company and the underlying books of account maintained by the Company and used for the purpose of preparation of Restated Financial Statements as described in paragraph 5 above;

e. Recomputed the mathematical accuracy of the KPIs included in the Statement, including verifying the and its definitions; and

f. Conducted relevant management inquiries and reviewed such other information and documents which we considered necessary for the purpose of issuing this certificate.

10. We have no responsibility to update this report for events and circumstances occurring after the respective dates of the reports on the financial statements mentioned in paragraph 6 and 7 above.

11. We have no responsibility for identification, definition, completeness, relevance, appropriateness and sufficiency of the KPIs included in the Statement.

12. The procedures we have performed do not constitute an audit or review made in accordance with generally accepted auditing standards. Furthermore, they will not necessarily reveal matters of significance with respect to any material misstatement of the information related to KPIs of the Company.

Inherent Limitations:

13. Our work and conclusion shall not in any way constitute advice or recommendations (and we accept no liability in relation to any advice or recommendations) regarding any commercial decisions associated with the Offer, including, in particular, but without limitation, any which may be taken by the Company, book running lead managers or the syndicate members appointed for the Offer, in each case in the capacity of investor or in providing investment advice to their clients or the Company.

14. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the report and we neither give any guarantee nor any assurance that the KPIs reported will continue to perform and/or report in similar manner in future. We make no comment about the Company's definition, methodology or presentation of the KPIs in the Statement or its usefulness for any purposes.

15. The KPIs included in the Statement should not be considered in isolation from, or as a substitute for, analysis of Company's historical financial performance, as reported and presented in the Restated Financial Statements of the Company included in the Offer Documents. These KPIs (other than GAAP measures) are not defined under accounting principles generally accepted in India, including the Companies (Indian Accounting Standards) Rules (as amended from time to time) specified under section 133 of the Act, read with the Companies (Accounts) Rules, 2014 in compliance with Companying Regulation Act 1949 and circulars, guidelines and directions issued by Reserve Company of India from time to time ("**Ind AS** "), and are not presented in accordance with Ind AS and have limitations. These KPIs may differ from similarly titled information used by certain peer companies, who may calculate such information differently and hence their comparability with the measures used by the Company may be limited. Therefore, such KPIs should not be viewed as substitutes for measures of performance under Ind AS or as indicators of Company's financial position, financial performance or its cash flows.

Conclusion

16. Based on the procedures performed by us, as above, we confirm that (i) the financial details provided in the Statement are in agreement with the Restated Financial Statements for the nine months period ended December 31, 2025 and for the financial years ended March 31, 2025, March 31, 2024, and March 31, 2023, and/ or the underlying books of account maintained by the Company used for the purpose of preparation of the Restated Financial Statements, as applicable; (ii) non-financial measures provided in the Statement are

in agreement with the books of accounts and other relevant records maintained by the Company; or that (iii) the KPIs included in the Statement are mathematically accurate.

17. Based on the above procedures performed by us, we confirm that

    (i) all KPIs, as communicated by the Company to us and as approved by the Audit Committee pursuant to its resolution dated February 25, 2026, have been included in **Annexure A**;

    (ii) In relation to financial KPIs, none of the measures have a definition that is different from the definition of such measure under Indian Accounting Standards (Ind AS) or Accounting Standards (AS) in accordance with Section 133 of the Companies Act, 2013, SEBI ICDR Regulations or Companies Act, 2013, as included in **Annexure B**;

    (iii) The listed peers set out in **Annexure C** are the only comparable listed peers of the Company as on the date of this certificate;

    (iv) no KPIs have been disclosed by the Company to its investors at any point of time during the preceding three years;

    (v) no KPIs have been disclosed to the allottees of primary issuances of securities undertaken by the Company in the last three years to the date of filing the Offer document;

    (vi) no KPIs have been disclosed to the transferees in secondary transactions facilitated by the Company in the last three years to the date of filing the Offer document; and

    (vii) no KPIs have been disclosed by way of the letter of offer/ application letters in any allotments.

    Further, we confirm that all the KPIs which are used by the management historically to analyse, track or monitor the operational and/or financial performance of the Company have been included in Statement.

Restriction on Use

18. This certificate may be relied upon by the Company, the book running lead managers appointed for the Offer ("**Book Running Lead Managers**" or "**BRLMs**"), and the legal counsel appointed by the Company and the BRLMs in relation to the Offer and to assist the BRLMs in conducting and documenting their investigation of the affairs of the Company in connection with the Offer. We hereby consent to extracts of, or reference to, this certificate being used in the Offer Documents or any other documents in connection with the Offer. We also consent to this certificate being presented and/or utilised for the purpose of any defence that the Book Running Lead Managers may wish to advance before any statutory/regulatory authority in connection with the Offer and / or the Offer Documents. We also consent to the submission of this certificate as may be necessary, to any regulatory authority and/or for the records to be maintained by the BRLMs in connection with the Offer and in accordance with applicable law. We further consent to the submission of this certificate on the Stock Exchanges' repository platform.

19. We confirm that the information in this certificate is true, fair and correct and there is no untrue statement or omission which would render the contents of this certificate misleading in its form or context.

20. We consent to the inclusion of this Statement as a part of "Material Contracts and Documents for Inspection" in connection with this Offer, which will be available for public for inspection from date of the filing of the RHP until the Bid/ Offer Closing Date.

21. We confirm that on receipt of any communication from Company of any changes in the information, we will immediately communicate any changes in writing in the above information to the Book Running Lead Managers until the date when the Equity Shares allotted and transferred in the Offer commence trading on the relevant stock exchanges. In the absence of any such communication from us, Book Running Lead Managers and the legal advisors, each to the Company and the Book Running Lead Managers, can assume that there is no change to the above information.

22. This certificate should not be used for any other purpose except as provided in this certificate.

Yours faithfully

For S K Patodia & Associates LLP

* Not annualised

Notes:

1. GAAP Measures are numerical metrics disclosed in accordance with Generally Accepted Accounting Principles (GAAP) applicable to the Company. These measures are fundamental for understanding the financial health of the Company and for comparing financial performance across various companies and industries.
2. Non-GAAP Financial Measures adjust GAAP financial metrics by including or excluding specific items to provide a clearer and more accurate picture of financial performance. These metrics, along with financial ratios, facilitate deeper financial analysis.
3. Operational measures refer to data points, other than traditional financial metrics (GAAP and Non-GAAP Financial Measures), company's overall health, long-term sustainability, or the drivers of its financial performance in relation to its valuation.
4. Revenue from operations is stated as per Restated Financial Information.
5. Profit for the period/year is stated as per Restated Financial Information.
6. Basic Earnings per equity share (₹) = Net profit or loss attributable to equity holders of the Company (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period adjusted for bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.
7. EBITDA is calculated as profit for the period/year plus finance costs, depreciation and amortization expense plus total tax expense.
8. EBITDA Margin *(%)* is calculated as EBITDA divided by Revenue from operations.
9. Profit for the period/year Margin (%) is calculated as Profit for the period/year divided by Revenue from operations.
10. RoCE (%) is calculated as Earnings before Interest and Taxes divided by Capital Employed. Earnings before Interest and Taxes is calculated as profit for the period/year plus finance costs and total tax expense. Capital employed is calculated as Tangible Net Worth plus Total Debt. Tangible Net Worth is calculated as Total Equity minus Other intangible assets, Intangible assets under development, Deferred tax assets (net) plus Deferred tax liabilities (net). Total Debt is calculated as Non-current liabilities - Financial liabilities - Borrowings, Non-current liabilities - Financial liabilities - Lease liabilities, Current liabilities - Financial liabilities - Borrowings, Current liabilities - Financial liabilities - Lease liabilities.
11. RoE (%) is calculated as Profit for the period/year divided by average Total equity. Average Total equity is average of closing Total Equity as on closing day of financial period/year and opening equity of opening day of financial period/year.
12. Debt – Equity Ratio is calculated as Total Debt divided by Total Equity. Total Debt is calculated as Non-current liabilities - Financial liabilities - Borrowings, Non-current liabilities - Financial liabilities - Lease liabilities, Current liabilities - Financial liabilities - Borrowings, Current liabilities - Financial liabilities - Lease liabilities.
13. Total equity is stated as per Restated Financial Information.
14. No of engineers in our engineering team from IITs, NITs and BITS.

15. Total number of Integrated Starter Generator Engine Control Unit, Integrated Starter Generator + Electronic Fuel Injection Engine Control Unit, Electronic Fuel Injection Engine Control Unit, Electric Vehicle Motor Control Unit, Genset Control Unit (control-intensive controllers) sold.

Annexure B

Key Performance Indicators	Definition	Explanation
Revenue from operations	The total income generated from the sale of goods, services and other operating income.	Revenue from Operations assists to track the revenue profile of the business and helps in assessing overall financial performance of our Company and size of our business.
Profit for the period/year	Profit of a company after deducting all expenses including taxes	Profit tracks the overall profitability of the business as per GAAP.
Basic Earnings per equity share	Net profit or loss attributable to equity holders of the Company (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period adjusted for bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.	It measures a company's profitability on a per-share basis, providing investors with insight into how much profit is generated for each outstanding share held by them
EBITDA	Profit for the period/year plus finance costs, depreciation and amortization expense plus total tax expense	EBITDA and EBITDA % tracks operational efficiency and hence profitability of the business. They assist in tracking the operational margin profile of our business benchmarked against our historical performance and against our peers.
EBITDA Margin (%)	EBITDA divided by Revenue from operations	
Profit for the period/year Margin (%)	Profit for the period/year divided by Revenue from operations	This tracks the overall profitability and profit margin of the business.
RoCE (%)	RoCE % is calculated as Earnings before Interest and Taxes divided by Capital Employed. Earnings before Interest and Taxes is calculated as profit for the period/year plus finance costs and total tax expense. Capital employed is calculated as Tangible Net Worth plus Total Debt. Tangible Net Worth is calculated as Total Equity minus Other intangible assets, Intangible assets under development, Deferred tax assets (net) plus Deferred tax liabilities (net). Total Debt is calculated as Non-current liabilities - Financial liabilities - Borrowings, Non-current liabilities - Financial liabilities - Lease liabilities, Current liabilities - Financial liabilities - Borrowings, Current liabilities - Financial liabilities - Lease liabilities.	This helps to track how efficiently our Company generates profits from the capital employed in the business.
RoE (%)	Profit for the period/year divided by average Total equity. Average Total equity is average of closing Total Equity as on closing day of financial period/year and opening equity of opening day of financial period/year.	This measures a company's profitability by revealing how much profit a company generates with the money shareholders have invested.
Debt – Equity Ratio	Total Debt divided by Total Equity. Total Debt is calculated as Non-current liabilities - Financial liabilities - Borrowings, Non-current liabilities - Financial liabilities - Lease liabilities, Current liabilities - Financial liabilities - Borrowings, Current liabilities - Financial liabilities - Lease liabilities.	This ratio serves as a performance indicator to assess a company's financial leverage by measuring the proportion of debt relative to shareholders' equity.
Number of engineers from IITs, NITs and BITS	No of engineers in our engineering team from IITs, NITs and BITS.	A highly qualified engineering workforce can accelerate R&D efforts and technological advancements, driving long-term business growth.
Number of Control-Intensive Controllers Sold	Total number of Integrated Starter Generator Engine Control Unit (ISG ECU), - Integrated Starter Generator + Electronic Fuel Injection Engine Control Unit (ISG+EFI ECU),	It refers to volume of Control-Intensive Controllers sold for the period and reflects the overall effectiveness of our R&D, product quality, product

	Electronic Fuel Injection Engine Control Unit (EFI ECU), Electric Vehicle Motor Control Unit (EV MCU), Genset Control Unit (GCU) (control-intensive controllers) sold.	planning, manufacturing, marketing, all of which have a direct impact on our revenue.

Notes:

1. GAAP Measures are numerical metrics disclosed in accordance with Generally Accepted Accounting Principles (GAAP) applicable to the Company. These measures are fundamental for understanding the financial health of the Company and for comparing financial performance across various companies and industries.
2. Non-GAAP Financial Measures adjust GAAP financial metrics by including or excluding specific items to provide a clearer and more accurate picture of financial performance. These metrics, along with financial ratios, facilitate deeper financial analysis.
3. Operational measures refer to data points, other than traditional financial metrics (GAAP and Non-GAAP Financial Measures), company's overall health, long-term sustainability, or the drivers of its financial performance in relation to its valuation.
4. Revenue from operations is stated as per Restated Financial Information.
5. Profit for the period/year is stated as per Restated Financial Information.
6. Basic Earnings per equity share (₹) = Net profit or loss attributable to equity holders of the Company (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period adjusted for bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.
7. EBITDA is calculated as profit for the period/year plus finance costs, depreciation and amortization expense plus total tax expense.
8. EBITDA Margin is calculated as EBITDA divided by Revenue from operations.
9. Profit for the period/year Margin (%) is calculated as Profit for the period/year divided by Revenue from operations.
10. RoCE % is calculated as Earnings before Interest and Taxes divided by Capital Employed. Earnings before Interest and Taxes is calculated as profit for the period/year plus finance costs and total tax expense. Capital employed is calculated as Tangible Net Worth plus Total Debt. Tangible Net Worth is calculated as Total Equity minus Other intangible assets, Intangible assets under development, Deferred tax assets (net) plus Deferred tax liabilities (net). Total Debt is calculated as Non-current liabilities - Financial liabilities - Borrowings, Non-current liabilities - Financial liabilities - Lease liabilities, Current liabilities - Financial liabilities - Borrowings, Current liabilities - Financial liabilities - Lease liabilities.
11. RoE % is calculated as Profit for the period/year divided by average Total equity. Average Total equity is average of closing Total Equity as on closing day of financial period/year and opening equity of opening day of financial period/year.
12. Debt – Equity Ratio is calculated as Total Debt divided by Total Equity. Total Debt is calculated as Non-current liabilities - Financial liabilities - Borrowings, Non-current liabilities - Financial liabilities - Lease liabilities, Current liabilities - Financial liabilities - Borrowings, Current liabilities - Financial liabilities - Lease liabilities
13. Total equity is stated as per Restated Financial Information.
14. No of engineers in our engineering team from IITs, NITs and BITS.
15. Total number of Integrated Starter Generator Engine Control Unit, Integrated Starter Generator + Electronic Fuel Injection Engine Control Unit, Electronic Fuel Injection Engine Control Unit, Electric Vehicle Motor Control Unit, Genset Control Unit (control-intensive controllers) sold.
16. The financial information for the listed peer mentioned above is on a consolidated basis and is sourced from the annual report for the financial year ended March 31, 2025 submitted to stock exchanges.

17. The Listed Peer Schaeffler India Limited follows Calender Year as their Financial Year i.e. January to December. The financial information for Schaeffler India Limited is on a consolidated basis and is sourced from the annual report for the financial year ended December 31, 2024 submitted to stock exchanges.
